Notes

- age groups are as used by PRR for the Championship - MS, M40, M50, M60, FS, F35, F45, F55 - thus in 10-yr increments and not the 5-yr gaps often used by the races themselves.
- we only award trophies up to M60 and F55 inclusive; runners in older categories see their category shown in brackets but are eligible only for M60 or F55 silverware.
- age group shown for each athlete is determined by that which applies on date of first race of series - this then applies to the whole series.
- points are awarded on the basis of race finish position and thus on GUN time.
- however, times shown are CHIP time so that runners can use this table to see their true times for the season's races and distances.
- consequently, points awarded may not be in order of time shown.
- total points are amassed from a runner's best SEVEN scores across the 10 prescribed races PLUS a marathon if run (NB: completer medal requires only the seven races or six + marathon; completers are highlighted YELLOW).
- marathon points will first be assigned after the last of the ten scheduled races and will be updated until the end of 2022 (closing date) as further marathons are completed.
- race times are coloured (using the key to right) to show the Club Standard achieved by that time.
- Club Standards levels shown are determined by the age of the athlete on the day of the race.
