Notes

- *age groups are as used by PRR for the Championship - MS, M40, M50, M60, FS, F40, F50, F60 - thus in 10-yr increments and not the 5-yr gaps often used by the races themselves.*
- *we only award Champs trophies up to M60 and F60 inclusive; runners in older categories see their true category shown in brackets but are eligible only for M60 or F60 silverware.*
- *age group shown for each athlete is determined by that which applies on date of first race of series - this then applies to the whole series.*
- *points are awarded on the basis of race finish position and thus on GUN time.*
- *however, times shown are CHIP time so that runners can use this table to see their true times for the season's races and distances.*
- *consequently, points awarded may not be in order of time shown.*
- *total points are amassed from a runner's best SEVEN scores across the 10 prescribed races PLUS a marathon if run (NB: completer medal requires only the seven races **or** six + marathon; completers are highlighted **YELLOW**).*
- *race times are coloured (using the key to right) to show the Club Standard achieved by that time.*
- *Club Standards levels shown are determined by the age of the athlete on the day of the race.*
- *PNT = points not taken (normaly a vest-wearing thing).*
- *marathon points (in peach shading) shown are provisional and will be finally determined at end of calendar 2023.*
